Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

A note from the Editor

Whilst many people may sympathise with the points of view expressed in the letter opposite, it is not the wear and tear caused by the innocent play of children but acts of deliberate vandalism, which upset most people in this Village, and anybody who can help reduce it in any way should do so. This would quickly reduce the animosity towards our children, who may not even be the primary culprits involved!

The latest casualty is the office where the BHN is printed each month. Several acts of petty vandalism to the premises have now culminated in the smashing of two of the three large windows and it is likely that we will soon have to cease printing the BHN. One of our volunteer printers cut herself trying to clear enough of the glass to carry on with the printing.

As many readers will be aware, this is only the latest in a long line of attacks on Village amenities, ranging from the Library (22 windows smashed in one night), the Church, the Parish Council offices and the Mall (vandalised with a fire extinguisher on fête day; a police helicopter scrambled to search for the culprits). Some businesses find it extremely difficult to get insurance. I have myself recently stopped two young boys from throwing stones at the windows of the Sunshine Playgroup; I am sure I am not the only one to witness such acts. Boredom is no excuse.

I know from experience that the majority of our young people are decent, well-behaved and a credit to the Village, but why do we let the small minority get away with the sort of actions which bring little credit to themselves and our Village? If you know who is doing all this damage, then please try to do something about it!

Margaret Carpenter

Dear Editor,

I must express my gratitude to family, friends and neighbours, and Happy Hours for the support and love shown to myself and my daughter throughout my husband's long illness. Bill died peacefully on Sunday 17-8-97. The Service conducted by Rev. Gary Renison was thoughtful and comforting.

Thank you all for your kindness

Ellen Drewell

Dear Residents,

Can you remember your childhood?

What did you do in the summer holidays?

Did you enjoy climbing trees and making dens?

Did you play football or cricket on the Green?

Did you enjoy going to the chip shop with your mates?

Then perhaps you can understand why we would like our children to be able to do the same, without being told off at every opportunity. Our children have been threatened with the police, by people saying that they are destructive and noisy.

As parents of twelve year old boys we are angry and upset with the attitude of some people in this community. Our children are typical boys who need fresh air and the ability to play in peace. They are not lazy, bad-mouthed yobs until you make them so. They do not want to sit in front of TVs or computers all day, they want to play outside.

Our children occasionally get up to mischief, but all children do and they know they will be punished accordingly. This does not include tree climbing and playing in the park, for which they have been told off on many occasions by people who consider them too old to play in the Park.

There is a small minority of children who give the rest of them a bad name but not all the children in this Village are bad. Please think before you condemn these children - it is their Village too!

Any suggestions for alternative amusement for 12 year old children (preferably ones that do not cost money) would be gratefully received.

WHAT'S "THE POINT"?

"THE POINT" is the name of the new exciting Church youth club starting this month instead of the usual Friday and Saturday night "Pickled Parrot" sessions, which have unfortunately suffered lately from a certain amount of "bad press" and falling attendance.

Initially, the new club will run on alternate Friday evenings only, but with two separate sessions for different age groups starting at 7.30pm and 9.00pm respectively. The new club will operate on more traditional lines with a membership system, and various organised activities etc. and should appeal to a wide range of Bar Hill youth.

For more information and an application form, simply come along to the first meeting in the Octagon on Friday 12th Sept. or speak either to Tim Jackson 200293 or Ian Hay 789351.

Lost Keys

3 keys on a ring were lost between The Spinney and the Allotments on Sunday 24th August. If they have been found, please leave them at the Post Office or Tesco Customer Service.

Dear 'Ol' Brock,

I was interested in your article in last month's BHN, as I also saw the creamy masses on grass which you described. But as I then went on holiday I missed the final stage, so I was glad of your account to help confirm identification.

What we saw was apparently one of the 'Myxomycetes' or 'slime moulds', a very curious and little-known group of organisms. They exist as a shapeless 'goo' (different species may be different colours). They can crawl about slowly, engulfing bacteria for their food, rather like something out of science fiction. In due course they reproduce by hardening off and producing fruit-bodies and spores - so your idea of caviar was fairly close to the mark. They are of course perfectly harmless, and quite widespread. They require dampness and warmth, however, so are only found where these conditions are right. Under the right conditions (such as occurred here in early July, for instance) slime moulds can appear quite suddenly in some quantity. This has proved rather disconcerting to some people and in the past these appearances have been attributed to eg. sludge from the exhaust of an alien space craft!

Giant Children's Activity Afternoon

Thank you to everyone who turned up to the afternoon and made it such a huge success. As so many of you seemed to be amazed that most things were free, we thought you might like to know who sponsored the different activities:

Bouncy Castles, insurance & generator - Sports & Social Club.

Just Puppets - DHL and Roltech.

Clown - Residents' Association and Amethyst Designs.

'Puffing Billy' train and Lucky Programme Prize of a family ticket to Pleasurewood Hills (won by Gillian Shields) - Coopers & Lybrand, Cambridge.

Both face painters, the nail varnish painters, Fireman Sam's outfit, Lucky Dip, St. John's Ambulance, hire of the Residents' Association PA system, and all the little bits and pieces we had to buy were financed by contributions from the following organisations:- Little Acorns (£30), Toy Library (£30), Village Hall Pre-School Playgroup (£30), Parent & Toddler Group (£30), Under Ones (£30), Childminders (£30), Rainbow Guides (£15), Table Tennis Club (£10) and Sunshine Pre-School (£10). Well done to Toy Library, Toddlers & Village Hall playgroup who manned stalls etc on the day. Refreshments and hot dogs were provided by the PTA and the Scouts and were financed by themselves as a fund-raiser.

We thank Martin Avery for his invaluable advice, setting up and operating the PA system, Julie Farrington and Janine Doggett for answering our appeal for helpers, the three of you who dressed up as Fireman Sam (who for some reason wish to remain anonymous!) and the Social Club for allowing us to use their electricity supply. There are really too many of you to name individually, but would everyone who gave up their time to help us make the day a complete success please give themselves a good pat on the back and sit back with a sense of achievement that you managed to help do something good for the Village.

Some money was raised on the day and we will be arranging a meeting with the various groups shortly to discuss what we should do with it.

We might consider coming out of retirement for the millennium. If you would be interested in helping us, particularly with a couple of fund raising ideas, in the coming years, please ring Claire Thorby 781527, Lindsey Bladen 782994 or Kirsten Goodfield 200228.

Sick List

We wish a speedy recovery to all members who are sick; rejoin us as soon as you can! It was lovely to see Phyllis Channell back with us. Phyllis Boucher is also out of hospital and somehow managing to get around on her sticks after the operation.

'Wee' Georgie Woods has had his operation and of course is back with us - what a

sturdy character he is! Our Sid has had the x-ray for his sciatica and still manages to get around to do all his chores, although it must be painful (keep taking the pills Sid!).

To all those I have not mentioned - we are all thinking of you.

How to know when you are getting old

Everything hurts. What doesn't, doesn't work.

The gleam in your eye is the sun shining in your bifocals.

You feel like the morning after. But you haven't been anywhere.

You get winded playing cards. Your children begin to look middle-aged.

A dripping tap causes an uncontrollable urge.

You have all the answers, but nobody asks the questions.

Nostalgia

I remember the cheese of my childhood

When the children helped with housework

The cheese needed an ice chest

The children were seldom unhappy

I remember the milk from the Billy

Our dinner came hot from the oven

The kids were a lot more contented

Just a game with their mates in the paddock

I remember the shop on the corner

Do you think I'm a bit too nostalgic?

Competitions - These will resume this month

The Grand Opera Choruses Concert - The Guildhall - Sunday 7th September. a group of the Happy Hours Club will be going to this magnificent festival of music being held at the Guildhall at 2.45pm. The price for Senior Citizen groups is £2.50 each, providing that we can get sufficient numbers.

Annual Birthday Party - Mon. 17th Nov.

Christmas Party - Mon. 15th Dec.

Carol Singing - Tue 16th Dec - Subject to Tesco permission, this will be held outside the main entrance. An open invitation is extended to all to join us, as in previous years.

And the bread we cut with a knife.

And the man went to work not the wife.

And the bread was crusty and hot.

And the wife was content with her lot.

With yummy cream on the top.

And not from a fridge in a shop

Little Acorns Pre-School

Little Acorns is a privately-run Pre-school, where children from 3 years are encouraged to participate in a wide variety of planned educational activities in a friendly, sociable environment.

Our sessions are held in the Church Centre on Tuesday mornings and Wednesday, Thursday and Friday afternoons. We also have a session in the School Studio on Monday mornings.

We have a system of record keeping enabling us to monitor each child's progress throughout the year. Each child is also allocated a key-worker who is a member of staff who specifically monitors the children in her group.

There are 3 members of staff at each session, at least 2 with a NNEB qualification, and at least one qualified first aider.

Each child works through a series of workbooks and is able to take reading or workbooks home at the end of each session, to share at home.

We have a copy of our OFSTED nursery inspection report which is available to anyone on request.

To find out more about the wide range of activities we offer or to arrange a visit, please telephone us at any time. Alternatively, registration forms are available in the toddler rooms or the Library.

Scouts

helping young people get the most out of life

All sections are having a summer break and will resume in September. Both cub packs are having a joint camp at Abington from 5th - 7th September. Let's hope the fine weather holds out for them.

Once again we are in urgent need of help with Scouts. We meet on Friday evenings between 8 o'clock and 9.30. If you've been in the movement before I'm sure you will remember all the enjoyment you had - if not perhaps you'd like to find out what you've been missing. If you could spare some time, we'd love to hear from you.

Diary Date:

Jumble Sale: Saturday 18th October 2 - 4 pm

Webb Ivory

Towards the end of September / beginning of October, we will be starting our annual door to door distribution of the Webb Ivory Christmas catalogues. Everyone involved is a volunteer and all commission raised goes directly to Scout Group funds.

Adults "Fun" Workouts

We are hoping to start a friendly group for 'real beginners' to exercise. Maybe you are on a diet, or want to relieve the stress of a busy working day. Perhaps you are retired, or recovering from injury. Whatever the reason, contact Linda on 781779. We need to know if it is viable to start the group.

Yoga in Bar Hill & Swavesey

The *Desikachar* method of yoga (Viniyoga) emphasises safe progression at your own pace, and a quiet, uncompetitive approach. Our aim is a strong, flexible spine and a fuller use of the breathing. Usually this brings improved health and an ability to relax. Beginners are very welcome at all classes.

Monday 9.15 - 10.45 am School

Tuesday 7.30 - 9.00 pm Swavesey VC

Thursday 8.00 - 9.30 pm School

All classes run for 10 weeks from 22nd Sept. with a break for half term.

For further details contact Gill Wills 780551 (from 15th Sept.)

National Osteoporosis Society Cambridge Branch

I would like to thank the many kind people of Bar Hill who helped me raise over £500 to fund the formation of the Group.

Having raised the money, the difficulty of getting volunteers to serve on a committee has finally been overcome and we are up and walking, if not yet running. As one in three women and one in twelve men suffers from this crippling illness we hope to have open meetings which are both informative and enjoyable.

Although information and advice are freely given from NOS headquarters, we are a local group, totally self funding, non profit making, and rely entirely on unpaid voluntary help. We have arranged three Tuesday meetings for the remainder of this year at Dry Drayton Village Hall.

The Social Club

New memberships are now being taken. If you have not already renewed or joined, now is the time to do so. Membership fees remain unchanged. ie. £3 per adult (£5 after September) and £1 per senior citizen. If you are not a member then you are a guest and all guests must sign the visitors' book and pay 50p for each visit. The door-stewards will be overseeing every session now, so please be prepared to pay the fees.

Last month saw our two summer sporting extravaganzas, namely the 'ladies' versus 'gentlemen' games night, and the 'wrinklies' cricket match. For the first time ever the gentlemen managed to beat the ladies (marginally), and the "wrinklies" lost to the Cricket Club XI. Both events were well supported and participants and spectators thoroughly enjoyed themselves.

Diary dates:

19th Sept.	Harvest Moon
26th Sept.	Paul Edwards Duo.
3rd Oct.	Justyn Paul
13th Oct.	Day trip to France - £16.50
31st Oct.	Halloween night for adults
1st Nov.	Halloween night for children
New Year's Eve	"Bob Marshall Sound"

Further details of all forthcoming events are on the main noticeboards.

The entertainment is provided for you, the members, so if there is a form of entertainment or a trip you think others may enjoy please let Sue, Jethro, Lesley or Margaret know.

The Golf Society continued with the tradition of running a very successful Race Night to the mutual benefit of everyone. We had a good night and they made some money for their club funds.

The cricket season is rapidly coming to an end and football is now upon us. The Social Club recently paid the rent of the changing rooms to the Management Committee for the year 1996 (£500), but, due to the increase in the number of requests for financial support we have received this year, the committee has decided to review the method and amount of funding to be made available to the sports clubs using the building. This does not mean support will not be forthcoming, just that it may not be given in the same way as before. The matter will be discussed at our September meeting and relevant clubs will be advised of our decision.

Finally, back to memberships. If you join and support the Social Club it, in turn, enables us to consider support for the various clubs and societies using the Village Hall and Social Club. So help us to help you.

Colts Football

The new football season starts for the Colts teams on September 7th. Once again this season we will be running six teams competing in the Cambridge & District Colts Football League, three age levels competing in Mini League football and no doubt younger groups playing friendlies. In all, we continue to provide football for over 160 lads and lasses, most of whom live in the Village.

Playing space is becoming a problem for the Club, as we wrestle with the problem of fitting so many teams onto three pitches. You will notice that this year we will be using the Junior pitch on the Village Green, solely for the Mini League games, and that two 'small' pitches will be squeezed into the original area. This means that the U11, 13, 14 and 15 teams will play all of their home matches on the School playing field. The U16's will continue to use the main pitch on the Village Green.

At the time of writing this article the new fixture lists have not yet been received, but all fixtures are published in the Cambridge Evening News every Friday, results every Monday, and Colts league reports every Wednesday.

A reminder of this season's managers:

U8's	Dawn Miller
U9's	Barry Dean
U10's (Mini League)	John Lumb
U10's (11-a-side)	Paul Douglas
U11's	Ed Zuiderwijk, Chris Graham, Karl Wilson
U13's	Jack Fleming, Dave Kember
U14's	Ian Crofts, Brian Howard
U15's	Tony Carminati
U16's	Neville Watson, Andy Nicolas

It's still not too late to buy those 'nearly new' boots from the Club, or for you to sell any boots that are now not big enough. Please contact Bridget Hares at 16, Partridge Drive (201727) for more information.

Apologies

The mid-summer barbecue was cancelled at short notice due to the small number of tickets sold. to those of you who bought tickets and were disappointed, please accept our apologies. We intend to run an alternative event later in the year, and will supply more details in the Bar Hill News.

Whilst on this subject, fund-raising and sponsorship continue to be the life-blood of the Colts Club, providing much-needed funds for the purchase of equipment, balls etc. and paying for additional items such as league/cup fees and trophies for the annual presentation evening. The total spent on all items is around £3000 per year, and I hope publishing this figure explains the importance of fund-raising events, and the need for all villagers' support. Hoping to see you on the touchline on 7th Sept.

Hedgehogs & Hibernation

Hedgehogs are well known for their hibernation and during September and October they have to put on weight in order to have enough fat stores to survive the winter. Hedgehogs effectively go into a very deep sleep during hibernation. If there is a warm spell in the weather they may wake up and come out, then return to their nest if it becomes cold again. Hedgehogs have been known to wake up in colder weather to build a new nest if their own has become wet, or just for a change! Hibernation usually ends about Easter but again depends on the weather.

If you find a hedgehog towards the end of this month you should leave it unless it is very small (under 450g), in which case it probably will not survive hibernation. If you find yourself nursing a hedgehog you must keep it warm, feed it on cat food or baby food and get advice from your local Wildlife Trust.

Hedgehogs often make their nests in bonfires, so please check before lighting!

Feline Leukaemia

An important message for all cat lovers

Saskia was a cheeky, mischievous member of our family and we all miss her.

One Sunday night I had to rush her to the vet, as she was unable to walk and in a lot of pain. Antibiotics were given. On the following Tuesday I collected her. She was not eating and lay under the table staring at the walls. More tests were done, but I was not prepared for the results.

The virus, passed through the saliva or claws of a carrier, had caused liver failure and she had to be put down. Worse still, we learned that Feline Leukaemia is highly infectious and may have infected our other cat. Once symptomatic, the disease is always fatal. A few infected cats become carriers, developing no symptoms but passing the disease on to other cats. For around £20, cats can be inoculated against this disease.

Sassy had many playmates in Bar Hill and cat owners should be aware that there is a carrier of the disease in this village. Your cats are at risk and we urge all cat owners in Bar Hill, like ourselves, to get their cats inoculated, before they lose a precious friend.
